

As you explore the region you will discover that the churches in the Presbytery are well worth a visit. You are assured of a warm welcome everywhere and most churches have a visitors book which you are invited to sign.

We like to look back and remember our visitors from other regions and other countries.

Many of our churches hold special summer events - watch out for details of these locally.

Some churches are open for visitors or have regular events at which you will be made most welcome.
